Allowable Subject Matter

1. Claims 5, 22-27, 29-33 are allowed.
2. The following is an examiner's statement of reasons for allowance: Applicants teach a sound signal device comprising an input section that receives sound signals to be analyzed, a characteristic extraction section that extracts a volume level of a sound signal as it is received by said input section, a setting section that sets various parameters for use in subsequent analysis of sound signals received by said input section in accordance with the volume level of the sound signal extracted by said characteristic extraction section, including at least a threshold value, and a display section that visually displays a current value of the volume level and the threshold value determined by an extracted value of the volume level in accordance with a predetermined criterion. The cited prior art alone or in combination does not fairly disclose or suggest the claimed combination of features.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Vijay B. Chawan whose telephone number is (571) 272-7601. The examiner can normally be reached on Monday Through Friday 6:30-3:00.
